

Culinary Services

A countries identity is found through cuisine. It's the heart and soul of what makes a culture unique. From the customs and traditions that have withstood generations, to the modern fast paced world around us, food remains a timeless bridge that connects person to place.

At Ghyd, we are devoted to sustainability, local employment and culture immersion. We believe our culinary services do just that. Our chefs use only the freshest, local ingredients. We encourage them to embrace their culture while demonstrating their personal culinary ability. If you choose to have one meal, or a week long experience, you will leave knowing you have tasted the Costa Rican culture.

Our chef services can be configured in different ways and tailored to your schedule and taste. If you would like to arrange a private chef you can do so before you arrive or feel free to do so while you are there. We have created options that make it easy to choose the best arrangement for your stay. *Please let us know if there are any special occasions*

Villas come stocked with flatware, pots, pans, olive oil, salt & pepper, ten foil and local sauces. However, we do recommend stopping by the grocery store on the way to Hermosa Palms to pick up any items that you will need. Arrival times are typically mid-afternoon on Saturday, in which case the swim up bar will be open if you're hungry.
